GET ACCESS

From the launch letter

The deals he never *saw.*

Michael Goodbody had spent years in Silicon Valley. He still struggled to see the rounds he wanted to join.

Michael Goodbody
CEO, Get Access

Portrait of CEO Michael Goodbody from the Get Access newsroom. The headline interprets his account of finding private rounds.

2025

Two sides of one door.

Michael Goodbody

Rounds were happening inside networks he had little time to uncover.

Guy Oseary

People kept asking how he had heard about companies early enough to invest.

They met in 2025. Oseary had begun building Get Access. Goodbody joined as CEO.

Goodbody recounts meeting Guy Oseary in 2025 and joining Get Access as CEO. The two perspectives are paraphrased from his letter.
